

## Montpelier Community Gospel Choir Enrollment Fall 2018

Choir re-starts Monday, September 10 for both groups. Please arrive by 6:45 p.m. so we can take care of member sign-up, dues collection, handouts, etc. and still begin rehearsal on time. Choir rehearsals start at 7 p.m.

**Seasonal "Dues":** Dues this season are \$75 per singer. (Dues for the auditioned Small Choir are \$40.) This contribution helps pay choir bills and entitles you to a member packet of lyric sheets and a CD. If that is a hardship, **any amount at all is fine**. If you can give more than the requested amount, that's great! It helps make it possible for us to have a sliding scale. Please fill out this form and send it to the address below, or bring it to the first rehearsal. It will reduce the amount of time spent on paperwork and finances at the first few rehearsals.

Please consider downloading the songs from the choir website if you have the ability. The cost of duplicating cd's adds up. Of course if you need a cd it's no problem.

The form has space for two members from the same household and same last name. You may skip the address lines for the second person, but please fill out the other lines for both people.
