

Montpelier Community Gospel Choir Enrollment Fall 2020

Choir starts Monday, September 14 for both Big Choir and Small Choir. Due to the pandemic, both choirs will be meeting online this season. **You will need to be registered to receive the rehearsal link.** It is not necessary that you pay in advance, only that you register (however, payment in advance is much appreciated). Small Choir rehearsals start at 6 p.m., and Big Choir rehearsals start at 7 p.m. ([15 minutes for socializing will begin at 6:45](#)). Small Choir is by audition only - please don't register for Small Choir unless you are already a member.

Seasonal "Dues": For the last few years, Big Choir dues have been \$75 per singer. (\$40 for Small Choir.) If you can pay in full we greatly appreciate it, but because many folks are experiencing financial hardship, **any amount at all is fine.** Your dues help pay for our director and other expenses; entitle you to a member packet of lyric sheets and a CD; and give you access to the songs as downloads and other materials through the choir's website. **If you can give more than the requested amount, that's great!** It helps make it possible for us to have a sliding scale. Please fill out this form and send it to the address below. If you have two singers in your household, please fill out two of these sheets and make one payment if you prefer.

First & Last Name	
Skills you might be willing to share (optional):	
Are you willing to be on a committee or the board?:
